What we offer at a glance

WELCOME.

phaeno – The World of Phenomena

People are naturally curious. They enjoy unlocking secrets, solving mysteries and constantly discovering new things. From frozen shadows to the fire tornado, you'll find an incredible number of possibilities to give free rein to this curiosity at phaeno in Wolfsburg and to embark on an adventure tour through the world of phenomena.

Experience "one of the dozen most important modern works of architecture in the world" (the Guardian newspaper in England). This exceptional building was created by the star architect and Pritzker Prize-winner Zaha Hadid and its fascinating design has a marvelous impact.

Introduction: Exhibition and Architecture
